## *A life-changing retreat...*

*My Dear Friends,  
I am inviting you on a remarkable journey to Egypt. I have been going to Egypt every two or three years and each trip is a marvelous adventure of friendship, exploration, sightseeing and Spirit. I love hearing group participants say things like, "Each day is better than the day before" and knowing this is true. Egypt is a land of ancient wonders and spiritual transformation. I hope you can make this journey with me. Count on coming home changed for the better.*

*Love,  
Kathianne Lewis*

*Kathianne*

You've just climbed a passage way and have stepped into the stone chamber. The air is dry and the entire room is completely still. You sit on the sandy floor and listen to nothing more than your heartbeat. The sacredness of the spot is unmistakable as the ancient past calls to you from every corner. This moment is yours alone to experience. What happens may change your life forever.

## *Explore the land of gods and goddesses.*

This kind of intimate, up close and private moment is just one of hundreds you will enjoy on your ultimate spiritual adventure to Egypt with Rev. Kathianne Lewis and Sacred Travels.
