Inward Journey of Spiritual Maturity

Are you ready to challenge yourself to a deeper love, practice and expression of the Science of Mind and Spirit? Inward Journey is devoted to advancing spiritual awareness and exploring your relationship to the universe. It is designed to prepare you to live more fully and purposefully. This year of study (fall–spring) focuses on deepening your knowledge and understanding of the Science of Mind as taught by Ernest Holmes and Emma Curtis Hopkins. During this time you will develop a deeper practice of the application of living a conscious life for the benefit and blessing of yourself and others, as well as become aware of what needs to be cleared in your own consciousness as you begin to apply your spiritual understanding to all human conditions.

There are seven prerequisites for Inward Journey, with some equivalencies, upon approval: Beyond Limits or Foundations, Spiritual Practice, Self Mastery, Essential Ernest, Introduction to the Bible, Way of the Mystic, The 4-T Prosperity Program OR Financial Freedom, and Center for Spiritual Living membership.

- The instructors are Rev. Kathianne Lewis, DD and Guest Teachers.
- This great journey involves 30 classes and includes 2 retreats at Rainbow Lodge, led by Rev. Kathianne. The retreats provide you with the opportunity to deepen in consciousness and provide more power in integrating the principles of Science of Mind into your life.
- The class begins with the first retreat on Friday evening, September 23rd through Sunday afternoon, September 25th. Description, reverse side.
- Following the first retreat, classes will be held on Tuesday nights, starting Sep 27th through May 29th 2012, 6:30 – 9:15pm.
- The second retreat is scheduled for Monday-Thursday, March 19 - 22, 2012. Description, reverse side.
- The price listed (reverse side) is the total price of the program including both retreats.
- Registration is available now and requires meeting the prerequisites. Note: In certain cases equivalencies will be considered.
- We are excited about entering the second year of our enhanced curriculum that includes the deepening retreats and teachings of the Science of Mind from both Ernest Holmes and Emma Curtis Hopkins. This course, upon successful completion, does fulfill the "Practitioner Year I" requirements. If you are called to becoming a Professional Prayer Practitioner, then the application process will begin at the end of this Inward Journey Course for the "Professional Practitioner Year II" training.
