### ***Center for Spiritual Living Annual Membership Meeting***

*Date: Sunday, March 7, 2010*

*Time: 1-2pm*

*Location: Celebration Hall*

*Join Rev. Kathianne Lewis and the Board of Trustees for Center for Spiritual Living's Annual Meeting on Sunday, March 7 in the Celebration Hall.*

*This will be a celebration of the many accomplishments made by our community in 2009. You will hear a 2009 recap to include financial reports, community news, staff recognition and highlights of the year.*

*Our Board members Cindy Garfein and Hajara Rahim, RScP will be completing their term on the Board of Trustees. Keith Jefferson and Ray Rebello will be completing their term and are part of the slate of recommended candidates from our nominating committee. We will have a chance to thank all four of these Trustees for their service to our community, as well as ratify the new members of the Board of Trustees.*

*In the break between the 11am Sunday service and the beginning of the annual meeting, snacks will be served by the Habitat for Humanity Mississippi group in the Fellowship Hall. This is a great opportunity to support our fellow congregants who are going to help Create a Better World for those still affected by Hurricane Katrina. The Annual Meeting will begin at 1:00pm.*

*After the Annual Meeting (anticipated to last one hour), there will be a quick break, followed by a Member Forum, an opportunity to answer any questions that aren't covered in the meeting. Trustee Alinda Page will facilitate the forum and all Board of Trustees members will be present.*

*Following is the slate of candidates recommended by the Board of Trustees Nominating Committee.*

*"I appreciate the accepting nature of the Center for Spiritual Living and thrive on the support and connection of my Sangha and friends. I am grateful for the quality educational opportunities to grow us into our greater selves and empower our lives. I want to see these opportunities for growth and deepened connections continued, grown and available for each of you."*

**Professional Skills:** *I have successful experience in business. I am a Licensed Architect. I currently act as "Director of Architecture" for Irwin Pancake Architects, Seattle, WA. I run the practice in Seattle serving our clients in the Northwest United States, on behalf of the firm's ownership in Costa Mesa, CA. I moved to Seattle because I wanted to live in the Northwest and Puget Sound specifically. Prior to that I started and ran my own design firm (Mead Design Studio) in Ventura, CA and merged that with a partner in Santa Barbara, CA into M2 Architecture, Inc. Under my leadership as CEO of the M2 Architecture, the practice was successful and grew from 2 to 7 people within three years. Even during that growth and reinvestment time, we spent the third year paying down the start up debt and paying back investors.*
