Volunteer Highlight

9am Valerie Tims

Valerie Tims has been a member for 10 years. She began her service with the "garden party" helping to beautify and care for the CSL grounds each month. She's also been a spiritual companion for two years in the Coming of Age program, a TA for Foundations/Beyond Limits, an usher, a steward, concierge and coordinated the Holiday projects last year. She's currently serving with the Create a Better World committee and is one of several Volunteer Captains. There are so many ways to contribute and receive in this abundant community; it just keeps getting better and better. Thank you Valerie!

11am Marta Hoskinson, RScP

Marta has been attending CSL for five years. She is a Religious Science Practitioner and has served in that capacity for our Youth and Family Ministry. She has also been a teacher for YFM and a TA for Self Mastery and Beyond Limits. She has also facilitated Connection Circles and is the voice of the Tuesday inspiration line. Thank you Marta for all the ways you play here at CSL!
